Nine years ago, the volunteer coach created the Red River Archery Shootout. This is a friendly rivalry between several Texas, Oklahoma, and Louisiana archery teams. This event has grown from 100 archers to 400 archers and we are expecting 900 on April 12/13th. The last 2 years, due to the success, scholarships were given to Oklahoma, Texas, Kansas, and Louisiana to disperse to new NASP archery programs. The top 12 archers in each state receive a belt buckle and bragging rights. Door prizes are given as well to archers and coaches. With the success of this event, the cost is continuing to grow. If you are interested in sponsoring this event, please find the levels of sponsorship listed.
